

Statement from Irwindale Speedway & Event Center

Irwindale, CA – Irwindale Speedway & Event Center is pleased to announce that, in collaboration with City and County officials, I.S. will once again be home to the best Fourth of July fireworks show in Southern California.

The “Fourth of July Fireworks Spectacular” has seen many different forms throughout the years, with last years July 4th Night of Destruction seeing tickets sell out 24 hours before the event. This year, I.S. looked to shake things up with the goal of ensuring our beloved fans would not miss out on this great tradition. “The number one priority for us is the safety of our amazing fan base. When looking at the 4th of July, we heard from so many fans who have spent almost two decades celebrating Independence Day at Irwindale Speedway.” said Irwindale Speedway President Tim Huddleston. “So our team set out to provide these loyal fans an opportunity to continue that tradition in a safe environment. I can’t thank the City of Irwindale enough for their guidance, and I am so excited to see the “Drive-In” experience come to Irwindale Speedway. I think the fans are going to love it, and as usual we may have a few surprises in store for them as well.”

The 2020 edition will be dubbed the “Fourth of July DRIVE-IN Fireworks Spectacular”, allowing fans to return to the speedway for the first time since February. Admission will be a flat \$50 per car, with guests then parking in a designated area that will serve as their “Home” throughout the show. Cars will be parked with ample room between each other, allowing for guests to bring chairs to setup behind their vehicle. Gates will open at 6:00pm, with food and drinks available for purchase and music throughout the night. The famous Irwindale Speedway fireworks show will then kick off at 9:00pm.

Admission for the event will be limited, so I.S. asks everyone to please pre-order tickets to ensure admittance. Tickets are available now at www.irwindalespeedway.com.

Social distancing guidelines will be strictly enforced as will all federal, state and local directives. Ticket holders are asked to check email frequently before event to ensure they receive any applicable updates regarding health policies and procedures for the event.
